

Date Nov 2010 with weather choices from

Departure from India Time are 11:30

Destination MB saying pingo when I wanna

Odometer reading invite you nose to the flower

Total mileage from the food you never come

Route taken drive it, funny far (I went

from anti vegetable to full things yet,

I don't see myself being so

What I/we did Inclined to ascend

as if to avoid any mozeing down

or decline, rock bottom a myth

Food & drink MB sans say of impermanence,

our country beers downing salts & sodium

MB a crystal ethisologist (It's not)

Where I/we stopped/stayed (2009s it's where it's

same as dogs, it's why it's

for what performative 'wow' will

Places & things for next time you use them,

if it becomes a detraction from

your homeostasis then home are

(you, char, maybe seth asha?)

Oh you write about it?

maybe infuse it with some

music? the pharmacy

says eat this & refuse it, if

the Farmer says you're
